Innovation For All

Las Vegas | January 7-10, 2025

Innovation For All

Diversity is the bedrock of innovation. The Consumer Technology Association (CTA)[®] is committed to the advancement of diversity and inclusion at CES and beyond.

The **Innovation for All** program at CES 2025 will bring together thought leaders and allies for engagement opportunities, networking, and to share best practices in advancing diversity and inclusion in the tech industry.

Programming

The Innovation For All program centers itself on creating community for all at CES and advancing diversity and inclusion in the tech industry. Our CES 2024 program included:

Content: Our curated conversations focused on topics including accessibility, the ever-changing role of chief diversity officers and chief human resource officers, the funding landscape for women and diverse entrepreneurs, emerging technologies shaping the tech workforce, and supporting entrepreneurship.

Events: Our events, like the **LGBTQ+ & Allies meetup**, **Women in Tech Brunch**, and **Innovation for All D&I meetup**, are centered on building a robust community for all.

Startup Experience: CTA's Startup Experience at Eureka Park supports up to ten startups on their journey to exhibit at CES.

Thank you to our Innovation For All Sponsors:

Hospitality Suite - LGBTQ+ & Allies Meetup

The Innovation For All Hospitality suite, located within the Encore Tower Suites, was new at CES 2024.

CTA's LGBTQ+ & Allies Meetup, hosted at CES 2024 by CTA and LGBT Tech, presenting sponsor Quickplay, provided a networking opportunity for CTA members and CES attendees celebrating LGBTQ+ attendees and allies.

Snapshot of Meetup Attendees:
+63% in attendance YoY
61.8% VP and above

“LGBT Tech’s partnership with CES is a bold step toward a more inclusive and innovative future. It’s more than just a partnership; it is advocacy for the LGBTQ+ community within the tech space. Diversity is not a challenge but an indispensable catalyst for the highest levels of tech innovation.”

CHRIS WOOD | EXECUTIVE DIRECTOR AND CO-FOUNDER, LGBT TECH

Hospitality Suite - Innovation For All D&I Meetup

The Innovation For All Hospitality suite, located within the Encore Tower Suites, was new at CES 2024.

Innovation for All D&I Meetup, hosted by CTA and Black Girl Ventures, provided a networking opportunity for diverse entrepreneurs, founders, and allies.

Snapshot of Meetup Attendees:

+72% in attendance YoY

61% VP and above

“CES is an ideal and important partnership for the Black Girl Ventures Foundation because it provides a dynamic platform to showcase and amplify the innovation, entrepreneurship and brilliance of people of color in technology and innovation, ultimately fostering diversity and inclusion in the tech industry.”

OMI BELL | CEO, BLACK GIRL VENTURES

CTA Women In Tech Brunch

CTA's second annual **Women In Tech Brunch** convened women and allies for a networking reception to celebrate women in tech. The program featured stories and remarks by top executives from HP, Salesforce, Black Girl Ventures, The Female Quotient, and CTA. This is a curated, invite-only event and has been at capacity the past two years!

Snapshot of attendees:

71.7% VP and above

+33% in attendance YoY

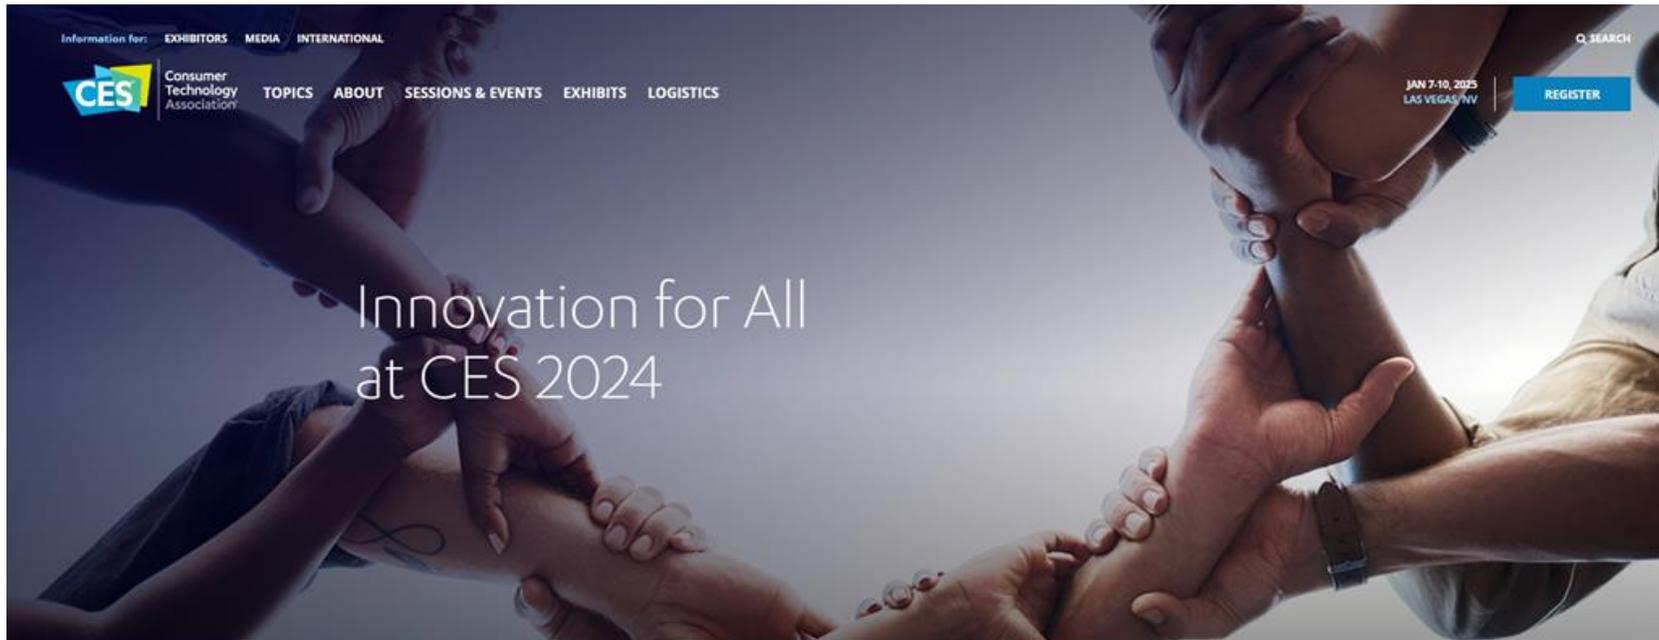

“As the official equality partner of CES, we propel women in tech, making the invisible visible, changing the equation and closing the gap.”

**SHELLEY ZALIS | FOUNDER AND CEO,
THE FEMALE QUOTIENT**

Dedicated Page on CES.tech

New for CES 2024, there was a dedicated [Innovation For All landing page](#) which served as the central place to find information pertaining to Innovation For All events, sessions, Startup Experience information, and sponsors.

The **Innovation for All** program at CES 2024 will bring together thought leaders and allies for engagement opportunities, networking, and to share best practices in advancing diversity and inclusion in the tech industry. Program formats range from dynamic panel discussions to networking events that connect industry professionals and tech founders from underrepresented groups.

Diversity is the bedrock of innovation. The Consumer Technology Association (CTA) is committed to the advancement of diversity, equity, and inclusion across the industry.

Sponsorship Opportunities

CES® offers an abundance of opportunities to set yourself apart.

Sponsorship of the **Innovation For All** program will demonstrate a commitment to diversity, equity, and inclusion at CES 2025. Program formats range from dynamic panel discussions and pitch competitions to luncheons and networking events that connect industry professionals and tech founders from underrepresented groups.

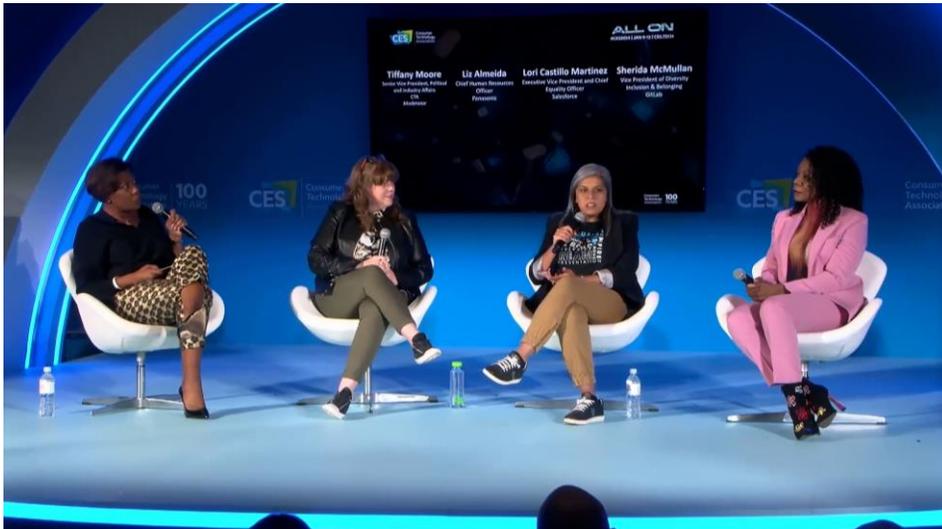

CES marketing channels will amplify the **Innovation For All** program to the global CES audience, including investors, media, and business leaders. Programming takes place at Eureka Park, the buzz-worthy home to startups and entrepreneurs, where future-forward products debut, partnerships are forged, and investments are made.

Your participation also helps support **CTA's Startup Experience at Eureka Park**, which awards ten women and diverse-led startups with booth space in Eureka Park and travel assistance.

Over 1,300 individuals engaged with **Innovation For All programming**, ensuring that the CES experience continues to be welcoming and inclusive of all who work in the tech industry.
